

Empire Aircraft Services, Inc. is currently in the process of bidding on the Air Terminal and Ground Handling Services contract at Kuwait International Airport. This operation involves functions to include Air Mobility Control Center AMCC: Air Terminal Operations Center (ATOC) and Command and Control (C2) coordinating/planning/scheduling loading and unloading cargo/mail, processing passengers, aircraft ground handling, and AGE/vehicle maintenance. The contract period of performance is for 3 Years and we are asking interested people to complete the following survey. If awarded the contract, we will contact those who are best fit to fill vacancies and request your resumes and training records. Remember, completing the survey does not guarantee employment.

Our compensation package is competitive and includes transportation, lodging, and paid vacation. Although not a strict requirement, certificated experience with load planning, JII, loading cargo, and processing air travelers and baggage is preferred. We will provide initial and refresher training from June through September 2017 at Joint Base Charleston, SC as needed. A comprehensive medical screening and security clearance investigation will be conducted prior to deployment in September 2017. Please be aware that in order to work on a government contract in Kuwait, you must be eligible for and obtain a “Secret” security clearance, a Kuwait Visa and U.S. Passport. If, you have a history of arrests and/or felony convictions, you will not be eligible.
